Event: Annual Privacy Forum (APF) 2026

click here

To register, please click on the "Registration" tab and there in the "Registration slots" on the corresponding "Register" button.

Short description

The APF is a premier venue for discussing the latest developments in the area of privacy and data protection in Europe. It focuses on the European regulatory landscape and its technical real-world implementation of data protection. In particular, we welcome participants from different policymaker, academic, industrial, and societal organizations.
